**Lafayette County Children's Services Fund Board Awards  
House of Hope a grant**

*for their Supervised Visitation Center*

LEXINGTON, Mo. - The Lafayette County Children's Services Fund Board (LCCSF) has reviewed several proposals to improve mental health services to youth in the county. They awarded House of Hope \$10,712 toward their Supervised Visitation Center. House of Hope provides services to women and children who have been victims of domestic violence. The Outcome results and success indicators will be reported to the LCCSF BOD at the six-month January 2009, and year's-end July 1, 2009 of the grant cycle.

The Board will continue to review other proposals as their time will allow. A "Request for Proposal" (RFP) may be reviewed and downloaded from their webpage; [www.lafayettechildrensfund.org/](http://www.lafayettechildrensfund.org/)
